

On the fourth Sunday of each month, the pastors meet before the service at 9:40 for a very brief and informal chance to meet folks who are newer to Buckeye First Assembly. We meet in the library. As you walk in the lobby just look for the glass door to your left. You will get acquainted with the pastoral staff, hear a bit about the church vision, just a tad about the schedule, and how you may get connected. However, the main reason for *Coffee with the Pastors* is to get to know you. We would love to hear a little of your story. You're invited!
